

Cargo Transport Your Trusted
International Logistic Partner

Cargo Transport International

Established in 2005, we are a dynamic International Freight Forwarder rapidly expanding our business activities with the support of our valued clients over the years, we have been expanding in terms of clientele, business volume, worldwide agents' network, staff strength and other aspects of the business.

Cargo Transport International is one of the few remaining independent and autonomous logistic service providers specialized in Air and Ocean freight. All our services are very adequate, prompt and professionally executed at most competitive rates. A network of agents selected by their competence and excellent contacts with our suppliers make an important contribution to the quality of our services and the satisfaction of our customers.

Cargo Transport International was established & founded on 2005 with a target to innovate new concept & service pattern in shipping. Growing steadily over the shortest period "Cargo Transport International" apparently is marching towards the ensuing Millennium with bold commitments for a prosperous & marvellous goal.

Our Services :

Air Transport

In response to the increasing demand from customers for airfreight service, Cargo Transport Int'l has set up an airfreight division to cater for the different needs and budget requirement of the customers. We have experience moving a large variety of shipments from large and complex cargo to small,

fragile, time sensitive cargo. Our experience, network, longstanding partnerships with leading international airlines enable us to deliver the finest import and export service available.

Our Airfreight Service Includes :

- Direct airline, consolidation, charter and project forward service.
- Packing, repacking and warehousing facilities.
- Door to door service.
- Ensure schedule flexibility and space on various air carriers.
- Onward connection availability from carrier's HUB to final destination.
- Handle export or import cargo.
- Pack & crate your commercial goods or personal/household effects.
- Deliver to the shipping docks.
- Prepare all shipping documents.
- Coordinate custom clearance for import cargo.

Sea Shipping

In Bangladesh and around the world one major competitive advantage Cargo Transport Int'l offers is our depth of services. For Ocean Freight service, we act as an International Freight Forwarder and Consolidation. Our long established working relationship and contracted arrangements on space allotment with major conference carriers enables us to provide safe, reliable and cost-effective service to fulfil the demanding needs of our customers.

Our professional and experienced staff put out customers' need on the priority of their services. We ensure that all the necessary documentation is completed, and related procedures are followed to deliver the cargoes in time. With the global network of agents, Cargo Transport Int'l can offer the most efficient cargo handling, storage, clearance and delivery of shipment from door to door.

Our Ocean Freight Services Includes :

- FCL and LCL services with first class carriers from Bangladesh to major destination all over the world.
- Proactive cargo consolidation program.
- Marine insurance.
- Warehousing and logistics planning.
- Land transportation.
- Transhipments and on-forwarding.
- Custom Clearance/Preparation of documents of banks and consular.
- Freight collection & settlement.
- Continuous monitoring of customer's shipment.
- Provide pre-alert & cargo availability report.
- Cost effective advice in routing, transit time and shipping schedules.
- Handle export or import cargo.
- Pack & crate your commercial goods or personal/household effects.
- Pick-up from your premises.
- Deliver to the shipping docks.
- Prepare all shipping documents.
- Coordinate custom clearance for import cargo.
- Coordinate warehousing & distribution.

Warehousing & Distribution

We provide cost effective warehouse, distribution, pick & pack, consolidation and de-consolidation services. We have capabilities to give advisory services on warehousing various types of cargo and means of transportation and routes.

Our Vision

Our vision is to be a leader in integrated logistics solutions in the region.

We believe in developing long term partnerships with our customers by providing personalised and effective logistics solutions. We are dedicated and committed to provide value, innovation and professionalism to our customers, developing long-term partnerships.

Our Mission

To provide safe, reliable, continuous, and cost effective service through a strong support team of logistic associates dedicated to our customers' needs and commitment to excellence.
